

# Rosa Regale Sparkling White

Asti DOCG

2020

## VARIETIES

Moscato Bianco

## DESCRIPTION

Typical variety of Southern Piedmont, an ideal area for Moscato Bianco.

The seasonal course of 2020 was characterized by an anticipation of all phenological phases; the mild winter caused early budding and, subsequently, the high spring temperatures also accelerated the flowering process, which occurred earlier than average. Then, thanks to the high temperature ranges of August and September, the grapes presented an excellent quality, making 2020 an excellent harvest.

A sweet sparkling wine with a straw yellow color and a very fine and persistent perlage.

Intense and fruity aromas, typical of Moscato, with hints of acacia flowers and sage. On the palate, the uniqueness of the grape is expressed in a well-balanced structure carried by a fresh acidity.

A dessert wine with a sweet and aromatic soul that matches perfectly with fresh and dry patisserie. To be experienced with starters with semi-aged cheeses for an unconventional pairing.
